DIRECTOR OF CENTRAL INTELLIGENCE  
Security Committee

SECOM-D-315  
31 March 1978

MEMORANDUM FOR: Colonel Russell T. Newman, USAF  
Chairman, Compartmentation Subcommittee

STAT

FROM: [REDACTED]  
DCI Security Committee

SUBJECT: Security Procedures for Imagery Transmission  
System--Washington

STAT  
STAT

1. Attached for your information is a copy of the security policy and procedures drafted for the Imagery Transmission - Washington (ITS-W) by [REDACTED]. [REDACTED] advised me that he had drafted the for this system. [REDACTED] attached in the interests of having some security procedures for the ITS-W system and in the absence of any security policy known to him which would be applicable to the system.

2. Request you review the attachment and advise the SECOM staff of what changes should be made in this policy to make it consistent with current directives or with proposals for change such as the draft DCID to establish a single system of administration for handling compartmented materials.
